A. M. A. - CLEVELAND - PHI RHO SIGMA

THE WAYNE UNIVERSITY SCHOOL OF MEDICINE

As Told to Cyril K. Valade, E. By Andrew P. Biddle

In August, 1933, the College of Liberal Arts, the College of Education, the Detroit College of Medicine and Surgery, the College of Pharmacy, the Department of Engineering, all conducted by the Board of Education of the City of Detroit, were adopted as a University organization and in January, 1934, the organization was formally given the name of the WAYNE UNIVERSITY. The City Law School because of certain technical reasons, is not yet a part of the University.

I have thought that, because of the influence of the Medical School in the raising of the Colleges to the status of a University and thus its influence on the medical profession of the State of Michigan—for the larger part of its graduates enter practice in this State—it might interest your readers to know something of the structure of these several colleges, their growth and the significance of the choice of the name of WAYNE UNIVERSITY.

Ever since the creation of the small Board of Education in 1917—perhaps before—there has been an effort to give the youth of Detroit the opportunity—to which it is entitled—of enjoying the benefits of a higher education and with this a cultural background.

The Detroit College of Medicine and Surgery has the distinction of being the only School of Medicine in the United States which is conducted by the Board of Education of a municipality.

The Medical School under one name or another has of itself or through a merger been in existence since 1868. In 1913 the College, previously known as the Detroit College of Medicine, was re-

(*Continued on page* 2)

MEDICAL INTERFRATERNITY CONFERENCE

D. E. W. (Dave) Wenstrand, Alpha, past President of Phi Rho Sigma and author of the History of Phi Rho Sigma, was one of the four founders of the Conference present at the tenth biennial meeting of the Medical Interfraternity Conference held in Chicago, February 11. He and Ernest Irons of Nu Sigma Nu were largely responsible for the early development of the Conference and through their efforts other medical fraternities became members, until at the present time all the medical fraternities are in the Conference.

One important resolution was adopted regarding premedical pledging. For many years member fraternities have felt that the common practice of pledging men, sometimes years before they matriculated in medical school, was unfair to the men and to the Chapter. The resolution as adopted must be ratified by two-thirds of the member fraternities. It stipulates that no pledging shall be binding until six days before the actual opening of college. In other words, all the fraternities on the campus and the prospective pledges are free agents until the above specified time. This in no way is to be construed as meaning that contacts cannot be established with the prospective pledge at any time at the discretion of the rushing committee but no formal pledges will be recognized except as noted above.

A permanent committee was appointed to confer with the Officers of the American Medical Association in an effort to secure fraternity membership listings in the directory of the Association. This committee will report at the next meeting of the Conference, it being impossible to secure any listing in the current issue of the directory.

A resolution was adopted requesting the Program Committee of the American Medical Association to set aside a

(*Continued on page* 2)

When Phi Rhos gather in Cleveland in June to attend the annual convention of the American Medical Association, they will find an opportunity to renew fraternity associations while attending the scientific assemblies. Miss Miller, secretary in the Central Office of the fraternity, will be stationed on the mezzanine floor of the Hotel Statler on Sunday, Monday, Tuesday and Wednesday mornings, June 10, 11, 12 and 13, respectively, where she will register all visiting Phi Rhos, give out information, aid in contacting friends, and sell tickets for the All-Phi Rho Sigma luncheon. This luncheon will be held in the Show Boat Room at the Hotel Hollenden at 12:30 p. m., Wednesday, June 13. An enjoyable get-together with a few brief, impromptu talks has been promised by Dr. Charles E. Kinney, Kappa, who is in charge of arrangements. Several of the National officers of the fraternity will attend. The Hollenden is just one block from the Public Auditorium where all the scientific sessions of the convention are to be held.

Preliminary registrations for the A. M. A. convention are coming in faster than for several years, presaging a large attendance at the Cleveland session. Practically all exhibit space for both scientific and commercial exhibitors has already been filled. A widely diversified program of scientific papers will be found in the special Cleveland number of the Journal of the American Medical Association which will be issued in May.

As a convention city Cleveland is ideally located on the main lines of travel by air, water, rail or highway, and the Public Auditorium is said to be the best convention plant in the United States. It has under one roof a hall seating 12,000, a number of smaller meeting rooms and theaters seating from 300 to 3,000, and a vast exhibit floor, all connected by ramps. The building is within easy walking distance of the leading hotels.

Of particular interest to medical vis-

A. M. A.

(*Continued from page* 1)

itors in Cleveland will be the School of Medicine of Western Reserve University, its affiliated hospitals, many other excellent hospitals of the city, and the Dudley P. Allen Memorial Medical Library. The city offers many other attractions for visitors with its fascinating lake shipping, spectacular steel mills, the world renowned Nela Park of the General Electric Company, the Cleveland Terminal development which is a city within a city, miles of beautiful parks, the home of the Cleveland Indians, and many other points of interest. Recreation facilities abound, with water sports, many excellent golf courses, bridle paths, and paved highways which wind over the countryside through river valleys and over hills.

Come to the A. M. A. Convention for stimulation and recreation and be sure to attend the Phi Rho luncheon at the Hotel Hollenden on Wednesday, June 13.

WAYNE UNIV.

(*Continued from page* 1)

organized under a new charter as the Detroit College of Medicine and Surgery and was conducted by a Board of Trustees selected for the purpose until July, 1918, when it passed under the control and administration of the Board of Education.

Because of the importance of Detroit as a world center of drug industry—recognized as such long before the advent of the automobile—the College of Pharmacy was organized in 1924 and requires for admission and continuance in study the high standards of the other colleges.

Others form the "part-time" membership.

The next problem was the choice of a name, which was debated over a number of months. It was neither practical nor desirable to adopt a name which would conflict with those of the existing Universities. Yet it must be a name which would reflect the dignity of the institution, carry weight among the alumni and student-body, and at the same time be representative of the locality in which it was organized. The name of Wayne, after General Anthony Wayne, was adopted. The name connotes history. Perhaps not the history of public education, but a history which had a profound influence on the development of the Western Territory.

General Anthony Wayne, an outstanding personality of the American Revolution and the final winner of the Western Territory of which Michigan and Detroit are now a part, was born at East town, Chester Co., Pa., on January 1, 1745; in his younger years was a surveyor and in 1774 was elected to the Colonial Legislature of Pennsylvania. He took part in the unfortunate expedition for the capture of Quebec, and was wounded at Trois Rivieres. For nine months he held Fort Ticonderoga against expected attacks, when he was relieved to join General Washington's Army in the South; played an important part in the conflicts about Philadelphia and spent the winter of 1777 with General Washington at Valley Forge. Later he was sent south to cooperate with General Nathaniel Greene and to harry the British retreat toward the Yorktown Peninsula, where Cornwallis was forced to surrender.

Later, when the attacks on the Western Indians had failed, he was given the heavy task of winning the West. On August 20, 1794, he utterly routed the Indians with their British Allies at the Battle of Fallen Timbers at the Rapids and Ford of the Maumee near Toledo, and put an end to Indian depredations for a long time. The territory was won. When Detroit was to be surrendered under the Jay Treaty, July 17, 1796, General Wayne chose Col. John Francis Hamtramck to receive the surrender and he in turn delegated the honor to Capt. Moses Porter—names familiar to Detroiters.

Truly the services of General Anthony Wayne to Detroit and the surrounding region entitled him to every honor the Board of Education and the City can bestow.

The Wayne University College of Medicine has an enviable record. Its teachers throughout the 65 years of its life have been men of ability, definitely recognized as professional and civic leaders of the state and nation; its alumni, practitioners of note, always striving to elevate the standard of education and the practice of medicine. May the School, now enrolled among the publicly supported universities, follow its traditions, give due recognition to its graduates through the years and "carry on," always remembering that those who pass through its portals are among those upon whom rests the future of Medicine.

M. I. C.

(*Continued from page* 1)

definite time at each annual session for Fraternity reunions. Dr. Guerney Taylor, in charge of fraternity reunions at the Milwaukee session, stated that it was his impression that Wednesday noon had been, or would be, set aside for the above purpose.

Dr. William Mann, Alpha Kappa Kappa, President of the Professional Interfraternity Conference, gave a very interesting paper on the place that medical fraternities should hold in the Conference. He said that all professional fraternities had so much in common that the medical fraternities and the Medical Interfraternity Conference should support the Professional Interfraternity in all its activities.

A resolution congratulating Dr. Mann on his election to the presidency of the Conference was unanimously adopted.

Ralph W. Elliott, Secretary-Treasurer of Phi Rho Sigma, read a paper on "Medical Fraternity Finances". The writer stressed the fact that fraternities naturally divide their activities into three groups: the active chapter, the alumni and a national organization. Of these the most fundamental is the active chapter. Therefore, the logical approach to the problem of fraternity finances is through the careful study of Chapter finances and management. The paper was, therefore, devoted to the discussion of the several phases of chapter financial problems.

A resolution was adopted authorizing the appointment of a committee to study fraternity finances with the suggestion that Mr. Homer L. Heath, Secretary of the Ann Arbor Trust Company, or someone else equally qualified, be invited to cooperate with the committee and if possible present a further detailed report at the next meeting of the Conference.

The papers of Dr. Mann and Dr. Elliott will appear in full in the official proceedings of the Conference which will be distributed to the Officers of the Fraternity and to each chapter as soon as published.

The following Officers were elected: Stuart Graves, Nu Sigma Nu, Chairman; Albert B. Landrum, Alpha Kappa Kappa, Secretary-Treasurer; Irving S. Cutter, President of Phi Rho Sigma, was elected a member of the Executive Committee.

Phi Rho Sigma delegates were: President Irving S. Cutter, Iota; D. E. W. Wenstrand, Alpha; Robert M. Graham, Mu, Councilor Great Lakes District; Ralph W. Elliott, Kappa, Secretary-Treasurer, Grand Chapter.

YOUNGSTOWN MEET

On Saturday, April 28th, 1934, the Mahoning County Medical Society will hold its Seventh Annual Post-Graduate Day. Lectures and demonstrations by a group of Internationally famous teachers from McGill University, Montreal, Can., will be held throughout the entire day and evening.

One of the more prominent men on the program is Dr. J. B. Collip, AΓ. Professor of Bio-Chemistry at McGill. He will speak on "The Recent Advances in Anterior Physiology."

POST GRADUATE

The Cook County Graduate School of Medicine which is affiliated with the Cook County Hospital has been organized to offer to graduates in Medicine an exceptional opportunity to do graduate work in Medicine and Surgery under the instruction and guidance of more than 100 physicians and surgeons of the Attending Staff of the Cook County Hospital.

Included upon the Board of Trustees and the Committee who are in charge of these arrangements are:

Dr. Frederick Tice, B, President, Chief of Staff of Cook County Hospital.

Dr. Phillip H. Kreuscher, A, Division of Orthopaedic Surgery.

Dr. Frederick H. Falls, Γ, Gynecology.

Dr. David S. Hillis, Γ, Obstetrics.

Dr. Harry Culver, Γ, Urology.

TENNESSEE. Harry Z. Johnson has opened his office at 247 E. McLemore Ave. * * * J. F. Fargason has been appointed Resident Physician at the Methodist Hospital for the year 1935-36. * * * M. D. Lindsay has an appointment as Assistant in Pathology on the U. of Essel Faculty. * * * C. R. Reed, Jr. is now at Hospital for Ruptured and Crippled in New York City, as Resident in Orthopedics. * * * Chester Moss and Miss Ernestine Parke were married on December 23, 1933. Dr. Moss is now Pathologist for the Methodist Hospital in this city. * * * John R. Martin of Scottsboro, Ala., was married to Miss Elizabeth Ferrell of Memphis, on Feb. 5, and enjoyed a two weeks honeymoon at Miami Beach, Florida. A house dance was given in their home Jan. 13th. * * * James B. Stanford, '06, was elected President Elect of Shelby County Medical Society, and W. L. Rucks, '12, Vice President for 1935 at Annual Banquet of the Society in January. * * * Dr. G. C. Coors at our last Fireside Meeting gave a very interesting talk on Physical Examinations in Commercial Aviation. He also added a complete set of Oxford's System of Surgery to the Chapter Library. * * * H. B. Goodwin, Jr., '34, was awarded the C. B. Laughlin Medal, for meritorious service to the Chapter in 1933. * * * The addition of 200 volumes to the Library, which was the goal for this quarter, has already been reached and we still have five weeks to go.

DALHOUSIE. A discussion by the alumni regarding internships was held at the chapter house following a recent regular meeting. Dr. James Reid, M. R. C. P., London, England, a charter member of Alpha Eta and more recent graduates, Drs. Winfield, MacDonald, Murphy and Murray discussed the advantages and disadvantages of English, Canadian and American internships.

CHAPTER HIGHLIGHTS

NORTHWESTERN. A formal party was held February 24 at the Chicago Town and Tennis Club. It was a great success; forty actives and twenty-eight alumni were present. * * * The rsults of the Cook County examination for internships were announced recently. Two of our men, William M. Cavode and E. Harold Ennis were among those who passed, Brother Cavode writing the highest examination for the men from Northwestern. * * * Alpha Chapter won the Intramural Swimming Meet which was held on March 3, at the Lawson Y. M. C. A.

MINNESOTA. Theta Tau held the annual informal initiation for thirteen men during the first week in February. On Feb. 10th, ten men were put through the formal initiation of the Fraternity. Several Alumni attended the ceremony. *** Dr. Arnold Schwyzer, former Chief of Staff at St. Joseph's Hospital in St. Paul Staff at St. Joseph's Hospital in St. Paul, celebrated his seventieth birthday at a formal dinner Monday, February 12th. The dinner was given by the Sisters of St. Joseph's. Many distinguished Physicians and Surgeons attended the dinner. * * * The traditional Alumni-chapter banquet was held at the Minnesota Club in St. Paul on April 15th. * * * A special dinner was given on March 21st, in honor of the seniors who graduated in March. Drs. Larson, Barry and Matson, all Θ-T alumni were the speakers. * * * Θ-T celebrated St. Patrick's Day in true Irish fashion. A party dance was held at the chapter house which was decorated in green and white with large shamrocks covering each fire-place. About twenty-five couples attended the dance. * * * Ten new actives attended their first chapter meeting on March 1st. As is the custom, each of them delivered a short speech before the whole chapter. These men were all from the freshman class. * * * Θ-T's basket-ball team completed a most successful season in intramural athletics by winning the professional title. The team met its first defeat of the year at the hands of the winner of the academic title in the play-off for the All-University championship. * * * Arthur Pearson was awarded the degree of Master of Arts at the commencement exercises for the winter quarter. His major is Physiology and his minor pathology. * * * Dean Collins, Ph. D. and instructor in Physiology was elected AΩA. * * * The annual spring formal is to be held about the middle of May.

CREIGHTON. Eta Chapter, Omaha, Nebraska, presented a Symposium on Hypertension at the Medical Arts Building, Thursday, February 15. The speakers of the evening were Dr. B. M. Riley, Dean of Creighton Medical School, subject, definition, Etiology and Classification.

Dr. B. C. Russum, Chair of Pathology and Bacteriology, subject, Pathological aspects.

Dr. M. C. Howard, Associate Professor of Medicine, subject, Cardio-Vascular Signs and Symptoms.

Dr. F. W. Hagey, Associate Professor of Medicene, subject, Angina Pectoris and Coronary Trombosis.

Dr. J. R. Hleyla, Associate Professor of Medicine, subject, Treatment.

Dr. R. L. Maynor, Assistant Professor of Medicine, subject, Diagnosis and Prognosis.

Dr. J. W. Duncan, Clinical Professor of Surgery, subject, Problems confronting a surgeon on operating on a hypertensive.

This symposium, the fourth presented by the various fraternities at Creighton, was by far the best that has been attempted. Eta Chapter is now planning another to take place some time in April.

PITTSBURG. Chi Chapter's program has already won a fine place for the organization on the medical campus. On February 24th, Warren T. Vaughan, Z, of Richmond, Va., the Editor of the Journal of Laboratory and Clinical Medicine spoke before the Phi Rho Sigma Forum on Allergy in Practice. There was a record group of alumni and friends present. Dr. Russell acted as chairman on this occasion on account of the illness of Dr. H. H. Permar. This affair stands out as a red letter day for Chi Chapter.

On Saturday, March 17th, in the Pittsburg Academy of Medicine, Chi Chapter presented the March Forum on "Appendicitis and its Complications." The speaker was Dr. R. M. Entwisle, a local surgeon. Dr. C. B. Penrod was chairman of the meeting.

JEFFERSON. This year Rho Chapter has instituted the Fire-side Talks and up to date some very instructive and interesting talks have been given. Soon after school opened Dr. A. C. Morgan gave us some valuable information in his talk, "Topics of Interest to Medical Students."

On February 23 Dr. Clifford B. Lull spoke on "Analgesia in Labor." He also gave us some of his peculiar experiences acting as an Obstetrician in various parts of the country.

On January 25 Dr. McCahey gave an interesting disseration on "What Determines the Sex of the Fetus."

On April 5, Dr. Henry K. Silaus is going to talk on "The Life of Dr. Da Costa."

The Chapter's annual formal dinner-dance was held at the Hotel Adelphia on February 24. It was a very enjoyable affair and a success in every way.

NEBRASKA. About twenty-five alumni attended the thirty-third annual initiation ceremonies of the Iota Chapter held on February 23rd, at which time twelve men were taken into the Fraternity. After the ceremonies a banquet was held in honor of the new initiates. Speakers were Drs. C. A. Rich, Lynn T. Hall, M. C. Anderson and John Krahl. * * * On February 15th, Iota Chapter held its monthly seminar. Dr. Calvin Davis was the speaker, his topic being, "Some important points in the Art of the Practice of Medicine."

GEORGIA. Dr. G. Lombard Kelly has recently been appointed acting Dean of the Medical School. * * * Dr. Phillip Mulhern, class of '29, has recently completed a post-graduate course in pediatrics at St. Louis, Mo. He is now practising in Augusta, Georgia. * * * Dr. George A. Holloway has been appointed house Physician at the Piedmont Hospital in Atlanta, Ga. * * * Drs. Herman Brooks and Glynn Bridges are serving interneships at the King's County Hospital. Both are 1933 graduates. * * * Chi Alpha expects to be host to many visitors during the meeting of the Georgia Medical Association in Augusta this spring. * * * At the recent annual initiation eight men were taken into the chapter.

WINNIPEG. During the winter the Chapter has sponsored an interesting series of afternoon teas at which the members of the Faculty have given informal talks. The social contacts thus established have been very pleasant and members of the Chapter have profited immeasurably by these extra-curricular discussions.

We cannot wait for the formal announcement of internship appointments to congratulate John T. MacLean on his appointment to the Royal Victoria Hospital in Montreal. Delegates to the Atlanta Convention from other chapters will remember John as the delegate from the "Baby" Chapter.

COLORADO. Brother Paul J. Hanzlik of Stanford University will present the first in the series of Memorial Lectureships fostered by the Psi Chapter at the University of Colorado School of Medicine, April 16th.

This is an attempt by the Psi Chapter to honor Psi members of the Chapter Eternal by bringing a prominent Phi Rho to speak to the Profession and students of the school at least once a year.

INDIANA. March 24. The Chapter held the annual bnaquet at the Indianapolis Athletic Club on Friday evening, March 16th. There were present about twenty men of the active chapter, and thirty alumni. It was really one of the nicest banquets in a long time, and everyone present seemed to get in to take a part in the party. * * * Dr. C. J. Clark was toastmaster, and Dr. Victor Keene, who was one of the originators of Pi chapter, Dr. Crockett, of Lafayette who is one of the oldest members of the fraternity, and who was last year President of the Indiana State Medical Association and Dr. Chas. Ferguson, who is Professor Emeritus of Obstetrics, and who is one of the two oldest living alumni in Indianapolis were all present. * * * Saturday afternoon initiation was held at the Spink Arms Hotel. The chapter initiated one honorary graduate, Dr. Bauer, who graduated from Iowa last year, who is now interning at the Methodist Hospital, and who will be resident Physician at the Methodist next year. We also initiated Dr. Robert Owsley, a Senior who will be an Intern at the Methodist Hospital next year. His brother was a Phi Rho who graduated about eight years ago. Five Sophomores and seven Freshmen were initiated. * * * Saturday night the annual dance was held at the Spink Arms Hotel. There were a number of alumni, as well as all of the men in the active chapter present. * * * On Wednesday evening, March 21st the boys held their meeting at Dr. Warvel's home at 6:30. After lunch Dr. Carl McCaskey gave a talk on "The Common Cold and Its Treatment." There were present about sixteen of the active chapter, and eight of the alumni. * * * The chapter is meeting every two weeks at the homes of different alumni, and having a talk either on medical subjects, or on some other topic of interest to medical students and Physicians. * * * On April 4th the boys are to meet at the home of Dr. Gordon Batman. We try to invite eight to twelve of the more active alumni to attend these meetings with the boys. * * * The Fireside Meeting schedule continues for the year with meetings at the homes of the following alumni: Apr. 4—Dr. Gordon Batman's home; Apr. 18—Dr. John W. Carmack's home; May 2—Dr. Goethe Link's home; May 16—Dr. Howard Mettel's home. * * * Dr. Goethe Link led an evening's discussion with Pi Chapter on "Practical Points in the Diagnosis of Thyroid Disease" at the main auditorium of the School of Medicine on February 7th. Dr. Link presented several of his cases from his private practice to make practical his points. Pi Chapter gladly and proudly claims Dr. Link as one of the foremost men in the field of Thyroid Surgery in the middle west and was indeed grateful for the opportunity to have an evening of discussion with him. * * * Pi Chapter Claims Externships for Coming Year. Announcement of the appointments of Phil Kurtz '35 to the Research Dept. of Eli Lilly Unit of Indianapolis City Hospital. * * * Joe Haslinger '35 recently was appointed Night Supervisor of the Visiting Physician department of Indianapolis City Hospital. * * * Bro. Dick Steele, Pi '34, has been quite active in the Department of Illustration of the School of Medicine. Dick, in addition to an extensive amount of "still" photography, is doing a large amount of motion picture photography in the surgical field. All of the photographic studies will be placed permanently in the library for class instruction in the future. Indiana School of Medicine now boasts of a large library of motion picture studies of surgical procedures — thanks to Bro. Steele. * * * Alumni Group to Honor Graduating Class of Pi Chapter with Dinner Dance early in May. The alumni group has placed Drs. Howard Mettel, Cy Clark, and P. E. McCown in charge of arrangements for a dinner-dance to be given in honor of the graduating class of Pi Chapter. Last year 75 couples responded to the call and a most pleasant evening was enjoyed and shared by the alumni and active chapters.

TORONTO. The Chapter held their annual at home party February 22, 1934. It was held at the Rockdale Canoe Club. There was a large graduate attendance and a good time was had by all.

A fireside talk was held at the chapter house, Monday night, February 5th at which Dr. Gordon Kelley of Hamilton was the guest speaker. Dr. Kelley gave an interesting talk on his experiences while he was "Ship's Surgeon" on a liner travelling between Liverpool and Bombay. There was a full attendance of undergraduate members as well as several graduate members.

The Annual "at home" was held on Thursday, February 22nd at the Parksdale Canoe Club. A large attendance of undergraduates and graduates were on hand.

OHIO STATE. Carl Hyer has been recently elected chairman of the Mt. Carmel Hospital in Columbus.

IOWA—Mu Chapter announces the initiation into Phi Rho Sigma on February 18, 1934. Guests attending the initiation ceremonies were Brothers: Dr. J. T. McClintock, dean of medicine; Dr. Joseph Kinkade; Dr. Robert Collins; Dr. Elwood Russell; and Dr. Daniel R. Webb. * * * Chester Ogden, Mu '30 is now taking work in Head specialties in Pasadena California. * * * Grant Bullock '30 formerly in practice in Sioux City, Ia. is now practicing in Washta, Ia. * * * Norman Flater '31, has set up practice in Floyd, Ia. * * * Vernon Peterson '33, who has been interning at Harper Hospital, Detroit, will return to the State University of Iowa Hospital in July, having received an internship in the Surgery department.

PENNSYLVANIA. Brother A. W. Adson, Lambda Phi, '14, Director of the Neurological Clinic at Mayo's, was guest speaker at the open meeting of the D. Hayes Agnew Society of the University of Pennsylvania on Feb. 7, 1934. His subject was, "Surgical Considerations of the Sympathetic Nervous System." * * * The Chapter has organized a new library and would appreciate any books or periodicals that any of the Brothers might care to contribute. * * * Alumni of Lambda Phi Chapter are requested to send changes of addresses, notices of books published, honors received, deaths, etc., to the Chapter for its records. Alumni may thus obtain information of this kind by writing to the Chapter, 4037 Spruce Street, Philadelphia.

EMORY. Chi Beta Chapter of Atlanta, Georgia held their Annual Initiation and Banquet February 24th.

At a smoker held January 27th by the chapter Dean Russell H. Oppenheimer gave a very interesting talk. It was announced at that time that XB chapter had won the Caduceus Cup for Scholarship for the fifth consecutive year. XB men also led all the other Medical Fraternities in their respective classes. Ed L. Bosworth a Junior, made the highest average of anyone in the entire Medical School, with C. Purcell Roberts also a Junior, a close second.

The XB chapter is the oldest Medical Fraternity at Emory University, being established in 1904.

The chapter now holds their regular meetings on Sunday afternoons. On alternate week-ends social functions are held at the house.

The next speaker listed on the Omega chapter's Fireside talk list is one of the Powelson brothers from Zanesville, Ohio. These two brothers operate the Powelson Clinic in that city.

NEWS OF THE ALUMNI

OHIO STATE. J. C. Sommer '13 was recently elected President of the Franklin County, Ohio, Board of Education.

TENNESSEE. Dr. Richmond McKinney, Chi Epsilon, of Memphis, Professor of Oto-Laryngology at the University of Tennessee has been elected President of the Bronchoscopic Society of America.

WASHINGTON. Dr. Robert Brua and Dr. George Warren Roe, both of Alpha Delta, are at present enrolled in the C. C. C. Medical Corps, stationed in Southern California.

TEMPLE. Wm. P. Jaquish, past President of Alpha Lambda Chapter is at present residing in Tuscon, Arizona. He has fully regained his health and will return this fall to Temple University and complete his Senior work.

WESTERN RESERVE. James H. Bahrenburg, who is a resident at Babies' and Children's Hospital, Cleveland, was married on November 11, 1933, to Miss Alene K. Schinke of Cincinnati. Dr. and Mrs. Bahrenburg are living at the home of his parents, U. S. Marine Hospital, Cleveland.

The third annual Mid-Winter Clinical course of Ophthalmology and Oto-Laryngology under the direction of the Reology under the direction of the Research Study Club of Los Angeles, in conjunction with the School of Medicine of the University of Southern California, was given from January 15th to 26th inclusive at Los Angeles.

Ten guest clinicians appeared on the program, including two foreign authorities. The following members of Phi Rho Sigma gave clinical demonstrations:

Dr. J. MacKenzie Brown, Delta; Professor of Oto-Laryngology, University of Southern California.

Dr. Simon Jesberg, Delta; Professor of Bronchoscopy, University of Southern California.

Dr. Leland A. Hunnicutt, Alpha Zeta; Instructor of Oto-Laryngology, College of Medical Evangelists.

Dr. Pierre Viole, Delta; Past President Southern California alumni association of Phi Rho Sigma.

TEMPLE. David W. Young has recently been elected President of Alpha Lambda Chapter succeeding Bro. Allwein, who is at present devoting his time as a hospital junior interne. * * *

Dr. James M. Robertson has joined the ranks of the benedicts and is now practicing general medicine in Charles, N. C.

CREIGHTON'S NEW DEAN

Eta Chapter held a banquet in honor of Dr. Bryan M. Riley on December 9, 1933. Dr. Riley an alumnus of Eta Chapter was recently appointed Dean of the Creighton Medical School. He is a successor to Dr. Herman Von W. Schulte. Approximately eighty active members and alumni were present. Dr. Riley was presented with a diamond studded key embossed with the emblem of the fraternity.

Speakers of the evening were: Dr. Fred J. Schwertly, Associate Professor of Anatomy and Surgery; Dr. Arthur C. Johnson, Instructor in Surgery; Dr. Charles F. Moon, District Councillor; Dr. E. C. Henry, Charter Member of Eta; Dr. B. M. Riley, Dean of the Medical School; E. J. Bordeau, President of the active chapter.

TEMPLE. Marshall Stewart is now a resident at the Memphis Eye, Ear, Nose and Throat Hospital.

IOWA. The wedding vows of Lillian Myrtle Parrott of Chicago and Dr. Roland B. Morrison of Carroll were exchanged February 10 at the Fourth Presbyterian church in Chicago.

TEMPLE. We are sorry to announce the death of the father and sister of Dr. P. Raymond Evans. Dr. Evans is located at the Reading General Hospital, Reading, Pa.

TEMPLE. Dr. James Robinson has recently taken unto himself a wife. Congratulations Brother Jim on this memorable occasion.

IOWA. Dr. James A. Olson '32, has been appointed physician for the public schools of Flint, Michigan. He served a year's interneship in Flint and during the last year has been house physician at the same hospital.

IOWA. Dr. George R. James '28 has opened an office in the Midwest building in Casper, Wyoming. He is in partnership with Dr. John R. Nelson.

THE NEW ORLEANS ALUMNI Chapter at its recent meeting nominated the following for office: President, Dr. E. A. Socola; Vice-President, Dr. E. L. Zander; Secretary-Treasurer, Dr. J. B. Gooch. Two additional members of the Advisory Commitee, Dr. D. M. Stewart and Dr. L. J. Kuhn.

Active support of the D. O. A. chapter at Tulane University was reviewed and plans outlined for the future.

Close economic harmony amongst the several members of the New Orleans Alumni Chapter was enhanced and future financial benefits assured.

PENNSYLVANIA. Dr. Howard E. Milliken was recently re-elected for his second term as County Coroner of Dauphin County, Pennsylvania. He is a member of the Lambda Phi Chapter class of 1920. * * * At the same time Dr. Lester Stuart Witherow was reappointed Coroner's physician. He is also from Lambda Phi Chapter class of 1921.

IOWA. Dr. Jas. C. Ogden has completed his residency at the Memphis Eye, Ear, Nose and Throat Hospital and is now practicing in Fort Smith, Arkansas.

KING WADE HONORED

Dr. H. King Wade of Hot Springs, Arkansas, was named President-elect of the Mid-South Medical Assembly at its latest meeting. This organization was formerly the Tri-States Medical Association.

Dr. Wade graduated from the University of Tennessee Medical Department in 1916 and has been located at Hot Springs, Arkansas, ever since. He is a leading Genito Urinary Specialist. Dr. Wade is a member of the JOURNAL Committee of the fraternity and was formerly the editor of the *Quarterly* of Chi Zeta Chi.

Dr. Francis Marion Pottenger, Monrovia, California, will give two lectures before the Mid South Post Graduate Assembly upon "The Necessity of Early Diagnosis" and "The Management of the Tuberculosis Patient."

Dr. Pottenger established the Pottenger Sanatorium and Clinic for Diseases of the Chest in 1903 at Monrovia. He is Clinical Professor of Medicine at the University of California.

Dr. Pottenger is a member of many Medical Societies, especially those concerned with Tuberculosis. He has lectured before Medical Societies in practically every city in the United States and Medical Societies in Europe.

CENTRAL OFFICE NEWS

INTERNSHIP QUESTIONNAIRE

A general letter has been sent to all chapters asking for a list of internship appointments. Secretaries are reminded that it is essential that this information be in the Central Office as soon as possible in order that we may complete our records and not run the risk of losing the addresses of these men as they enter upon their internship year.

Dr. and Mrs. Norman K. Beals announce the birth of a son, January 24, 1934. Norman is a charter member of Alpha Lambda Chapter and is now interning at Memorial Hospital, Pawtucket, R. I.

RESIDENCIES, ASSISTANTSHIPS, INTERNSHIPS

The Central Office is constantly receiving many inquiries from high grade men who are seeking residencies, assistantships and internships. The Secretary will be glad to assist any member of the fraternity desiring a resident, assistant or interne, in securing a desirable candidate. All information received will be regarded as confidential. Your inquiries will help us to place many desirable men.

The classified pages from the telephone directories "Physicians and Surgeons" have been of great assistance in tracing "lost" members. Thank you, alumni. May we also remind you that a new directory will be published in most cities soon. Will you please try to remember to send in the pages from these directories, too?

PIN ORDERS

Because of the U. S. excise tax on emblems and the rising price of gold, it is impossible to quote prices on our official emblem. Alumni may secure current prices and information as to the method of ordering pins by writing direct to the Secretary-Treasurer of the Fraternity.

LUNCHEONS

CHARLESTON, S. C. Chi Delta Chapter is planning on entertaining the Phi Rho Sigma alumni of South Carolina at a banquet when the annual South Carolina Medical Convention meets about the first of May. The banquet is to be followed that night by a dance in honor of the Phi Rho Sigma alumni.

Phi Rho Sigma luncheon at the Cleveland session, A. M. A., Hotel Hollenden, June 13, 1934.

AMERICAN MEDICAL ASSOCIATION—CLEVELAND SESSION

Harry D. Piercy, Kappa, has been appointed chairman of the A. M. A. Committee for class dinner, fraternity and organization banquets.

RECENT CONTRIBUTIONS TO THE STUDENT LOAN FUND

William L. McDougall, Chi Beta; Randolph E. Watts, Upsilon; Robert B. Hemphill, Beta; H. J. Templeton, Omega; T. H. Rees, Kappa; Edward B. Dewey, Psi; E. A. Brucker, Beta; George P. Sims, Iota; O. H. Anderson, Theta Tau; Peyton S. Lewis, Upsilon; A. W. Metcalf, Psi; R. H. Frost, Theta Tau; Wallace T. Dodds, Chi; A. J. Weaver, Rho; Rickey W. Craig, Alpha; F. W. Butler, Rudolph C. Logefeil, Theta Tau; Ira F. Jones, Lambda Phi.

ELLIOTT'S TRIP TO ST. LOUIS—

I spent the week end of March 3rd and 4th in St. Louis.

On Saturday morning and evening I was the guest of Chi Eta Chapter. I visited the School and the new hospital and met several of the faculty. At the luncheon all the members of the Chapter were present, including guests from Alpha Delta. After luncheon I spent most of the afternoon with the Officers discussing the details of organization. The fellows were kind enough to say that they had received some inspiration and had been able to clear up a lot of details as a result of our conference. Chi Eta is in good shape. They rate the strongest group on the medical campus. The personnel is excellent; the spirit is splendid and, all in all, I believe that they are in excellent condition in every respect. The officers are enthusiastic and full of "pep." They initiated a fine group of men.

The Initiation: The two chapters have agreed that one chapter shall put on the Initiation Ceremony for two years, i. e., the work is given over to the Sophomores to carry on through their Junior year. Then the other chapter carries it the next two years. This is the first year that Chi Eta has put on the work. It was excellent in every respect. I am sure that the new men were deeply impressed with the ritual because of the excellent presentation.

At the initiation dinner held in the Coronado Hotel, Charles Nielson, Gamma, presided as toastmaster. About eighty men were present with a goodly representation of alumni. One man drove 100 miles to be present at the banquet and initiation returning home that night.

Following the initiation there was a dance.

Alpha Delta has a good group. They lose ten or eleven men by graduation this spring.

CLASSIFIED ADVERTISING

Right is reserved to limit advertisement to space available. Advertisements are published free of charge.

A GENERAL SURGICAL RESIDENCY in an accredited hospital by graduate of a Class A school who has served a year's internship in an accredited hospital and who is now junior physician on the staff of a state hospital for nervous and mental diseases. Single, age 28. Reply in care of Central Office.

INSTITUTION WORK—Retired army officer wishes to secure a position with an institution carrying with it a chance to get back into professional work. Any information will be gratefully received.

FOR SALE—There are a few copies of the Zeta History left which can be purchased of the Editor for the sum of five dollars.

INSTITUTION ADMINISTRATIVE POSItion by an experienced physician. Address the Editor who will forward your inquiry.

WANTED—Another Residency or surgical assistantship by a graduate of one of our better schools who had already considerable training in surgery.

HOUSE MANAGERS—If you need china, silver-ware or glass ware, write the F. F. De Bolt Company, East Liverpool, Ohio, for current prices. (See Manual, pages 27-8.)

PINS—Alumni may order pins through their Chapter or through the Central Office.

WANTED—Banquet menus, old copies of The Journal, pictures, newspaper clippings, letters, and any other material bearing upon the history of our Fraternity. The Grand Historian, 394 E. Town St., Columbus, Ohio.

WANTED—News items about Phi Rhos who have married, had children, received civic or professional honors. Just clip the stories from your local paper when you see them and mail to the Editor of The Journal, 956 Bryden Road, Columbus, Ohio.

LOST—A goodly number of our members of the class of '32 who have recently located for practice. Any help will be a friendly act. Send information to the Editor.

DR. RALPH ELLIOTT, Sec'y-Treas.,
10515 Carnegie Avenue,
Phi Rho Sigma Fraternity,
Cleveland, hio.

Attached you will find one dollar as my share to the job of loaning to the seniors who are applying for just enough to pay their tuitions so that they may stay in school. t is my understanding that this loan will be repaid and loaned again and again to other deserving students in our fraternity.

CHAPTER .....

YEAR.

.....

CHAPTER ETERNAL

MICHIGAN. Louis D. Becker, 1925, died in Battle Creek Sanitarium, February 20, of Tularemia.

NORTHWESTERN. Frank M. Mason '94. Jesse Lee Hagadorn, Delta, 1893.

SOUTHERN CALIFORNIA. Anstruther Davidson, '81. Professor of Dermatology College of Physicians & Sugreons, University of Los Angeles. Author: "Plants of Los Angeles County."

RUSH. Arthur M. Corwin, '90.

PENNSYLVANIA. Edwin F. Bickel, '03.

PENNSYLVANIA. Ray R. Hetherington, '16. Died October 22, 1933.

PENNSYLVANIA. John A. Orr, Jr., '29. B.A. Muskingum College, '24. Member Alpha Phi Gamma and Deaver Surgical Society (Hon.) Served Internship at Allegheny General Hospital, Pittsburgh. Died September, 1933.

PITTSBURGH. John L. Martin, '03.

PITTSBURGH. Elliott L. Baker, '31.

EMORY. Charles E. Waits, '15. Asst. Prof. of Clinical Surgery, Emory University. Visiting Surgeon to University Hospital; Visiting Surgeon to Grady Hospital; Cons. Surgeon Georgia Baptist Hospital. Member American College of Surgeons, Southern Surgical Association.

ST. LOUIS. Dr. John Christopher Smith of Stacyville, Iowa, died December 28, 1933, three days after his 45th birthday of heart failure caused by malignant hypertension. He was active in his work up to the last minute of his life. Dr. Smith graduated from Saint Louis University 1915. He served internships at St. Anthony's Hospital, St. Louis and at St. Francis Hospital, Waterloo, Iowa. He was Surgeon and Owner of the Smith Hospital from 1927 to 1933. He was active in local and national Medical circles. He joined the Chi Zeta Chi Fraternity in St. Louis and later affiliated with Phi Rho Sigma. The whole community, county and state of Iowa loses a most competent and ethical Physician and Friend.

ROCHESTER. Dr. Peter A. Snell died at the Johns Hopkins Hospital, Baltimore, of pneumonia. He was a graduate of Hill Preparatory School in 1924 and from Princeton University in 1928. He received a doctor of philosophy from Princeton in 1931 and a degree of Doctor of Medicine in 1933 from Rochester University. He was a member of Phi Rho Sigma, of Sigma Xi and of Alpha Omega Alpha. He was serving his internship at the Wilmer Optic Clinic at the Johns Hopkins Hospital at the time of his death. He is the son of Dr. Albert Snell of Rochester.

Alpha Eta chapter held its annual formal initiation at the Lord Nelson hotel February 9th. Seven men were taken into the chapter.

Immediately after the initiation a banquet was given by the Honorary members for the new initiates. Dr. A. K. McDonald was the toastmaster.

On February 13th, the annual dance in honor of the initiates was held at the Nova Scotian Hotel and was a most enjoyable function.

F. W. Wigmore is President of the Council of Students. Hal Taylor is active in Medical Society and under his guidance the Annual Ball was a most impressive success. Laurie Teasdale is Secretary of the Medical Society and Club. "Jerry" Tanton is Secretary of President of the 5th year class. "Jimmie" Dalhousie Athletic Society and Captain Gray is President of Dalhousie Gleeof the Rugby Team.
